Risk Assessment for Jasmine.

Age approximately 10 years. We do not have an exact date of birth.

Born Canary Islands. Imported to UK for camel trekking. Acquired by Severnweye Llama Trekking beginning of 2004 and commenced active promotional work shortly afterwards.

Now regularly treks in Forest of Dean in the company of a team of Llamas.

Has featured regularly on both BBC and ITV television both nationally and locally.

In the past 4 years she has taken part in following:

- **BBC National Breakfast NewsBBC Inside Out**
- **BBC Countryfile several times**
- **BBC Points West**
- **BBC London news from Battersea Park (Largest Children's Party In The World)**
- **Animal programmes with Natural History units based in Bristol**
- **ITV National News**
- **HTV**
- **Central**
- **Channel 5**
- **Several Welsh channels**
- **With Household Cavalry on Horseguards parade.**

In addition she has featured as the star of an advertising campaign by an international air conditioning company. She has attended Agricultural Shows, Weddings, Charity Events, Carnival Processions, Schools, Moroccan Style Parties, Corporate Events plus her Camel Trekking.

We have never had any problems with her as her temperament is exceptional and she simply loves the attention she gets. She is superb in traffic and very careful where she puts her feet.

Owner, Trainer and Handler**

Severnweye Animal Collection is confident of our animals and we have taken our Risk Assessment very seriously but we remind the teachers and carers that it is their responsibility to control the behaviour of their charges.

The welfare of our animals is paramount and we reserve the right to terminate the visit if we are not satisfied.
